

Thank You!

Nationwide Limited Lifetime Warranty

Thank you for purchasing a RhinoPro™ sprayed-on truck bedliner. Your RhinoPro™ sprayed-on truck bed liner, when applied to your vehicle's original factory finish, is warranted to not crack, bubble or peel for as long as you own your vehicle. This warranty is applicable only to pickup trucks equipped with original equipment truck beds and original equipment paint, which are sold to individuals and are used solely for personal, noncommercial use. This warranty is made only to the original RhinoPro™ purchaser and is NOT TRANSFERABLE. In the unlikely event that your RhinoPro™ bed liner does crack, bubble or peel, simply return your vehicle, along with your original receipt and this RhinoPro™ Warranty Certificate, to the RhinoPro™ Authorized Applicator who applied your RhinoPro™ bed liner for repair or replacement, as RhinoPro™ determines at its sole discretion, at no cost to you.

RhinoPro™ warrants its RhinoPro™ cartridge system product(s) to be free of manufacturing defects and that the products will meet RhinoPro™ current published physical properties. RhinoPro™ sole responsibility shall be to replace that portion of the product that proves to be defective. There are no other warranties by RhinoPro™ of any nature whatsoever expressed or implied, including any warranty of merchantability or fitness for a particular purpose in connection with the product(s).

If you have a malfunctioning unit, **STOP** using the product and contact us immediately at 1-855-417-4466.

RhinoPro™ shall not be liable for damages of any sort, including remote or consequential damages resulting from any claimed breach of any warranty whether expressed or implied. RhinoPro™ shall not be responsible for use of this product in a manner to infringe on any patent held by others. In addition, no warranty or guarantee is being issued with respect to appearance, color, fading, chalking, staining, shrinkage, peeling, normal wear and tear or improper application by the applicator.

This warranty does not apply if your RhinoPro™ bed liner has been misused, abused, involved in an accident, gouged, dented, chipped, intentionally pulled, removed as required by body work, subjected to stains or soils from chemicals such as paint strippers or solvents, or damaged due to natural causes such as hail or lightning. Additionally, this warranty does not cover natural sun fade on products. RhinoPro™ reserves the right to conduct performance tests

on any material claimed to be defective prior to any repairs by owner, general contractor, or applicator.

RhinoPro™ will **NOT APPROVE** any warranty repair or replacement product if you use a third party service provider to fix an issue. Your RhinoPro™ Authorized Applicator may offer additional warranty coverage; however, any such additional coverage is at that Applicator's sole discretion, and is valid only at that Applicator's location.

All claims must be sent in either via fax or email to RhinoPro™ in writing in order to be reviewed and/or approved. Our warranty extends to product replacement only. All situations may be taken case-by-case basis.

This warranty is made by your local Authorized RhinoPro™ Applicator, and is backed by RhinoPro™ CS.

HELPFUL HINTS

Looking after your lining is quick and easy. Follow these helpful hints to keep your lining looking its best:

- Keep your lining dry for 24 hours after installation. Moisture may cause some milky discoloration which will disappear when the lining dries out completely.
- Wait 24 hours after installation before loading your lining with heavy cargo or anything that may soil it.
- Use a car wash detergent with warm water and a stiff brush to clean your lining. A high pressure water spray is very effective.
- Use a stiff bristle brush or abrasive pad with a degreaser/detergent to remove stubborn stains.
- Do not use silicone-based protectants, abrasive cleaners, nor caustic or corrosive liquids as this could leave a mark on lining.
- Protect your lining's shine and color with Rhino Shine® Ultra, a UV-activated bed lining protectant. available at RhinoPro™ applicators nationwide.
